

Pittsburgh District, U.S. Army Corps of Engineers National Public Lands Day Events

Updated August 23, 2012

Sept. 15

- BERLIN LAKE

Build bat boxes, impact campsites, paint bathrooms, maintain nature trail, pick up litter and sort recycling.

With our appreciation, participants are given free camping for the entire weekend, children's programs, breakfast before the event, and a hearty lunch after the event.

Event Date and Time: Saturday, September 15, 2012 - 8:00am - 12:00pm

Sept. 29

- CROOKED CREEK

The Geocache "Cache In, Trash Out" event is returning this year at Crooked Creek. Therefore participants will pick up litter while looking for 10 geocaches that are hidden throughout the park. In addition to geocaching there will be demonstrations on how to use GPS units, and informational tables from Healthy Armstrong, the PA Fish and Boat Commission, and National Public Lands Day. Refreshments will be provided.

Event Date and Time: Saturday, September 29, 2012 - 9:00am - 3:00pm

Contact Phone Number: (412) 719-9227

- STONEWALL JACKSON

Projects include planting trees and flowers, trail maintenance, fishing pier maintenance, and trash pick-up. We will provide volunteers with gloves and tools if volunteers are unable to provide their own. Another effort will be with a local Boy Scout and Girl Scout troop who will be installing interpretive signs along the Friendship Trail, planting trees, and doing some beautification projects in the downstream area.

Event Date and Time: Saturday, September 29, 2012 - 9:00am - 1:00pm
